The Lilongwe Sailing Club is a recreational club, with sailing as but one of several potential activities available. You are not required to be an active sailor to join the club. We encourage new members with other recreational interests to make use of the club facilities to pursue those interests. Of course, it is our intention to always maintain sailing as one of the central activities of the Club, with organized sailing and racing days being held at least once a month on Saturdays.

In joining the Club:

- *I/We agree to abide by Club Rules as set by the Lilongwe Sailing Club Committee.*
- *I/We acknowledge and accept that my/our use of the club facilities and equipment and my/our participation in Club activities will be done at my/our own risk. The Club will not be held liable in any event.*
